ABOUT ME

Innovative ReactJS/NextJS Developer with a strong computer science background. Skilled in building high-performance web applications and leading front-end projects. Proficient in ReactJS, NextJS, and modern JavaScript libraries. Experienced in optimizing applications, integrating APIs, and working with UI/UX designers. Committed to agile practices and continuous improvement. Looking for an internship in an esteemed organization to polish my skills and kickstart my career.

DIGITAL SKILLS

My Digital Skills

ReactJS | NextJS | BootstrapCSS, TailwindCSS | CSS | HTML | JavaScript | TypeScript | Python | MySQL | MongoDB | Postman | Git | Microsoft Word | Microsoft Excel | Microsoft Office

WORK EXPERIENCE

Web developer | Reactjs | Nextjs

Self

City: Islamabad | **Country:** Pakistan

Proficient in ReactJS and NextJS

- Expert in building dynamic, high-performance web applications using ReactJS and NextJS.
- Experienced in server-side rendering and static site generation with NextJS.

Innovative Problem-Solving

- Strong ability to develop creative solutions to complex problems.
- Experience in optimizing web applications for maximum speed and scalability.

Leadership in Front-End Development

- Proven track record of leading front-end development projects.
- Experience mentoring junior developers and leading code reviews.

Cutting-Edge Web Development

- Knowledge of the latest trends and best practices in web development.
- Ability to quickly learn and implement new technologies and frameworks.

Strong Understanding of JavaScript and Modern Libraries

- Deep understanding of JavaScript, ES6+, and modern JavaScript libraries.
- Experience with state management libraries such as Redux or Context API.

UI/UX Design Integration

- Skilled in integrating and collaborating with UI/UX designers to create seamless user experiences.
- Experience with CSS-in-JS, styled-components, or similar styling frameworks.

API Integration

- Skilled in integrating RESTful and GraphQL APIs.
- Experience working with backend developers to design and implement API contracts.

Version Control and Collaboration Tools

- Proficient in using Git and GitHub for version control.
- Experience with Agile methodologies and tools like Jira or Trello.

Performance Optimization

- Skilled in identifying and resolving performance bottlenecks.
- Experience with performance monitoring tools and techniques.

EDUCATION AND TRAINING

[24 Sep 2021 – Current]

BS Computer Science

University of Haripur <https://uoh.edu.pk/#gsc.tab=0>

City: Haripur | **Country:** Pakistan |
